

# KAISER PERMANENTE®

## Colorado Diversity Scholarship Program

Now Accepting Applications (Due January 21, 2011)

### Who is this for?

Minority students pursuing health care careers

### What do I need to know?

Kaiser Permanente Diversity Development is accepting applications for the Diversity Scholarship Program

This program was created as a community outreach effort to financially assist students pursuing an education for any career associated within health care. The scholarship program was established, and sponsored by Kaiser Permanente Multicultural Staff Associations. Our hope is to eliminate health disparities, reduce the shortage of diverse health care professionals, and impact the future delivery of culturally competent care and service. All qualified students are encouraged to apply, including those students who identify as one or more of the following: African-American, Asian Pacific, Latino, Lesbian, Gay, Bisexual, Transgender, Intersex, Native-American, a Person with a Disability or U.S. Veteran.

Deadline to submit applications: Jan. 21, 2011
